GENERAL NOTES:

1. This application is intended for a preplanned temporary closure not to exceed 15-20 minutes.
2. When a second law enforcement vehicle is not available, this vehicle may be replaced by a vehicle with an amber strobe or amber revolving light.
3. The distance between the "Flagger Ahead" sign and the flagger may be increased to provide adequate storage for stopped vehicles.
4. When this layout is used at night, temporary floodlights shall be used to light the flagger station.
